UGREEN USB-C/M to USB-C/F Gen2 5A Extension Cable  
1m (Black)

## Features:

### USB-C Extension Cable:

Access hard-reach place and protect device USB Type C female port from frequent plugging and unplugging, protecting Nintendo switch console from getting scratched by the dock.

### Extensive Compatibility:

Works perfectly for iPad mini 6 Macbook Air/Pro Dell XPS 13/15/17 Nintendo Switch Galaxy S21/S20/S10 Google Pixel 5/4a/4 etc.

### 4K HDR Video Output:

Supporting video resolution up to 4K@60Hz, deliver ultra-clear and vivid videos. With HDR support, you can enjoy lifelike images with enhanced brightness and illumination, and a sharper contrast between dark and bright areas.
