

# W703-35565

## UGREEN Magnetic Wireless Charger

### Features:

#### Qi2.0 MPP Certified

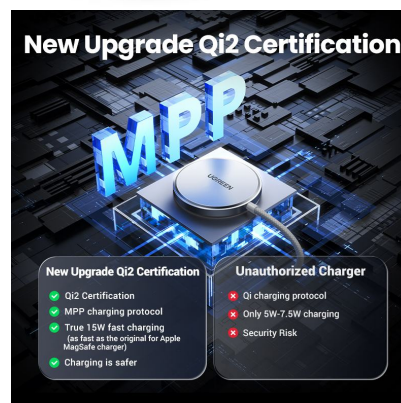

with Qi2.0 certification, the charger is more compatible with Apple's charging algorithm, safe and does not damage the device

#### Strong Magnetism

No fear of falling off, support charging With Phone Case

#### FoD Detection, safer To Use

Automatically identify whether the device is chargeable

### Specification:

- \*Support MPP protocol
- \*Input: 5V=3A 9V=2.22A
- \*Output: 15W Max
- \*Output for iOS devices: 15W
- \*Sensing Distance(case on):  $\leq 5$  ;
- \*Aluminum case + Nylon braided
- \*Charging cable 1.5M included
- \* Operating frequency: 110 kHz to 360 kHz
- \* Magnetic attraction: approximately 6N

### Suitable for iPhone 12-15 Series
